Ms. Terri Roberts
Senior Staff Recruiter
Skyport Networks
2905 Stevens Creek Blvd
Santa Clara, California 95050

Subject: Application for the postion of Principal Engineer at Skyport Networks

Dear Ms. Roberts:

I'm pleased to see Skyport Network's advertisement for the position of Principal Engineer (job id : 33960), in the November 1st issue of San Jose Mercury News. I want to apply for same position.

I work at Nokia Inc as a Software Engineer. I've over 15+years of experience in the area of computer networking and experienced in bring up of software in networking devices.

Your job opening appears to be a very close match with my skills and experience. For your convenience, I have included a point-by-point comparison of your stated requirements and my qualifications.

Skyport Networks Principal Engineer Job Requirement	My Qualifications
10+ years of Experience in development of Networking Products	I have over 15+ years of experience in Enterprise switch, Data Center Switches, Metro Ethernet, Home Office Routers
Capable of Leading a team of 5-10 engineers	I have lead small teams of 5-10 engineers as a Technical Leader.
Proficient in bring up of new systems	Throughout my career I've always worked in early stages of projects. I'm familiar with the challenges that are part of any product bring up.
Deep knowledge of TCP/IP networking stack in Linux	I've been working on the TCP/IP Linux networking stack for last 15+ years.
Proficient in c, bash, python	I'm proficient in these programming languages and written software using them.
Knowledge in Computer Security	I'm pursuing Masters of Science in Software Engineering from San Jose State University. I'm specializing in Cyber Security. I've completed courses in Network Security, Cryptography, System Security Technologies. My course assignments are available for review in GitHub. I've provided the hyperlink of the same in my resume.

There are other areas in which I've accomplishments, that should be of interest to you.

I would request you to read my resume. I look forward to a personal meeting with you. I might be able to answer any of your question with respect to my candidature during the meeting. You can contact me either via email (parthasarathi.ghosh@sjsu.edu) or phone (408 206 8195). If I do not hear from you within the next week, I will email you to follow up. Thank you for taking time to consider my credentials.

Sincerely yours,

Partha S. Ghosh
